THE ORIGIN OF MAN AND HIS CULTURE

Munshiram Manoharlal Publishers Pvt Ltd, New Delhi, 1983. Hardcover. Book Condition: New. second Revised. The book is meant to give a concise yet full introduction to the physical origin of man and the early history of his culture. In it Anthropology is treated as a historical discipline, since the course of cultural development is to a large extent subject to man's will and creativity. But the functional, sociological and psychological methods of dealing with the whole range of Anthropological data...
