For three years, the land girls at Post Stone Farm have worked together, defying Hitler in their own way. They have witnessed love and loss, found their independence, and made lifetime friends. Now, in the final months of conflict, Alice Todd prepares for life at the farm to change forever. Her years as warden of a Land Army hostel have transformed Alice's life. From damaged, deserted wife, she has emerged self-confident and ambitious. With peacetime approaching, she must now decide on a future for her young son and herself. In this moving finale to the popular land girls trilogy, Alice and her girls come to terms with life after the war.
