

Entheogens, Myth and Human Consciousness

By Carl Ruck, Mark Alwin Hoffman

Ronin Publishing. Paperback. Book Condition: new. BRAND NEW, Entheogens, Myth and Human Consciousness, Carl Ruck, Mark Alwin Hoffman, ENTHEOGENS, MYTH AND HUMAN CONSCIOUSNESS is a much needed accessible exploration into the role of psychoactive sacraments - entheogens - in religion, mythology, and history, and also includes most treatments of the subject focus on modern scientific research, psychotherapy, are auto-bibliographic accounts, or are agenda-driven or otherwise naive and myopic. A great mystery of altered states of consciousness and species development is expanding with new archeological and anthropological discoveries. Religious story telling (myth) is a timeless journey. Surprisingly it's not about truth. It's about finding one's self in the midst of the discovery of the "Other." It is the story of what is separate and unknown that creates self-consciousness. Our entire life consists ultimately in the discovery of the "Other," which gives meaning to the discovery of the self. The arts and language are the fossil remnants scattered on our path. ENTHEOGENS, MYTH AND HUMAN CONSCIOUSNESS discusses the influence of psychoactive substances on consciousness, human evolution and mystical experiences. It explores how religion, mythology, art and culture stem from entheogenic consciousness and why it's important to us today. "Entheogens, or psychoactive sacraments,...
