THE CONSULTANT'S CALLING: BRINGING WHO YOU ARE TO WHAT YOU DO, NEW AND REVISED

Jossey-Bass, 2001. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for the First Edition "Taps into our feelings about our work, but it also makes definite suggestions to improve our craft as consultants. It helped me, even though I have twenty-nine years of experience as a consultant." -- Journal of Management Consulting "The best book for [people who are trying to determine whether] consulting is for them." -- T & D "A triumph of goodwill, wisdom, and a kind of humble Midwestern practicality. If Will Rogers had given attention to the consulting profession, this is the book he would have written." -- Peter Block, author of *Flawless Consulting* "I must have a couple of dozen colleagues who shouldn't go another day without this book. Bellman has found a way to portray consulting as a way of life rather than just an abstract function. Here it all is-what we enjoy and exult in, and what we ponder, anguish, and whisper about. You will already know Geoff-the-Consultant: He is yourself." -- Peter Vaill, author of *Managing as a Performing Art* "A wonderful book for people who want to test the waters of consulting, as well as for those who are looking to affirm their role as consultant but want to enhance their impact with clients and their own lives." -- David B. Wagner, Mercer Delta Consulting "All my life, as a girl, as a professional consultant and now a retired elder I have shaped myself to be able to answer the internal question: Am I truly making a difference in the world? Am I truly living my beliefs through the contributions? And one day, some years ago I found Geoff Bellman and *The Consultant's Calling*. I wanted to shout out loud in my room,...
