Star Trek Transporters from Science Fiction to Science Fact (Paperback)

By Z M Greener

Createspace, United States, 2014. Paperback. Book Condition: New. 194 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wondered if it would be possible to be teleported just like in Star Trek? Amazingly, not only is it possible, but scientists at this very moment are doing such experiments! Ever since the TV series Star Trek introduced the idea of teleportation from one place to another via a matter transporter, many of us have been fascinated with the prospect that one day this may become reality. It s true to say that Star Trek wasn t the first time the concept of a transporter was used in a sci-fi series, film or book, but it is without doubt the catalyst which sparked the public imagination for this type of travel in real life. This book looks at the scientific processes and progress that has taken place which will take the Star Trek transporter from sci-fi into reality. Staggeringly enough scientists have now started teleporting particles exactly in the same way the Enterprise transporter does, opening up the possibilities for human teleportation within a comparatively short number of years. This book takes you through the...
