

Really? Ocean

By Arlon, Penelope

Scholastic Nonfiction, 2015. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Learn firsthand, brand-new information about our oceans, delivered directly from scientists in the field. These days, if you want to look something up, you just turn on your computer. But are you really getting all the information you need? Is it correct and up to date? Is there more information out there? There is! OCEANS presents cutting-edge information directly from oceanographers themselves. It reveals how this information was discovered, too--experiments, predictions, test results, identifications, and much, much more. Featuring interviews with amazing men and women, fantastic photography, detailed maps, and superb infographics, this new series is filled with original and extraordinary facts that will have every child exclaiming, "Really? WOW!".

Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.
