Virtualbookworm.com Publishing, United States, 2004. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Finally, a book which simplistically, insightfully and systematically presents an integrated, concrete overview of the 22 chapters, or 404 verses, of the book of Revelation. Revelation Unsealed is unique in a number of major areas. It is the first book to approach the text of Revelation from what is termed the Pre-Wrath Rapture perspective. This is the hotly debated view that the church will enter the Seventieth Week, undergo the great tribulation of the Antichrist, and be gathered off the earth before the wrath of God unfolds. This view is presented in a logical scenario, which is then placed within the overall context of the Apocalypse. Also contained is an entirely fresh biblical perspective of the emergence of the Antichrist. Additionally, this book also fully covers the relevance of world events, the amazing track record of biblical prophecy, the fulfillment of the seven religious feast of Israel, the battle of Armageddon, and the Millennial Kingdom of Jesus Christ. All of these issues are addressed in a concise and simple manner with numerous charts and illustrations to aid the reader in easily conceptualizing and visualizing what is outlined. Its contents will challenge both the newest Christian and the seasoned biblical scholar.
