Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book, Scouting for girls; official handbook of the Girl Scouts, by Girl Scouts of the United States of America, is a replication of a book originally published before 1922. It has been restored page by page, so that you may enjoy it in a form as close to the original as possible. This popular classic work by Girl Scouts of the United States of America is in the English language, and includes all the graphics and images from the original edition. If you enjoy the works of Girl Scouts of the United States of America then we highly recommend this publication for your book collection. Scouting (or the Scout Movement) is a movement that aims to support young people in their physical, mental and spiritual development, that they may play constructive roles in society, with a strong focus on the outdoors and survival skills. During the first half of the 20th century, the movement grew to encompass three major age groups for boys (Cub Scout, Boy Scout, Rover Scout) and, in 1910, a new organization, Girl Guides, was created for girls (Brownie Guide, Girl Guide and Girl Scout, Ranger Guide). It is one of several worldwide youth organizations. Scouts past and present will be fascinated to see how scouting has changed, as well as what has stayed the same over the years. Includes unique illustrations. This edition will be perfect present for someone you care for!.
