Brand New Book ***** Print on Demand *****.Andrew Krehbiel was raised to live life with value and meaning. His parents taught him how to work hard, show respect and have fun. Growing up, he had it all. Except his own path to life. He had followed others for too long. He saw his college friends without jobs. He saw millionaires file for bankruptcy. He saw sex as the only measure of social success. He saw smart people believe they were failures, people who weren t good enough for the world around them. And he believed every one of them. Until now. Take a journey through Andrew Krehbiel s mind as he speaks about religion, sex, violence, sports, freedom, and many other topics. In these essays, he explores how to put one s own happiness first, how to stop being angry at everything, and how to look at the world through a lens of love and forgiveness. This book is his truth.
