His father, who is a wise old monarch, tries to win his beloved boy to the thorny paths of knowledge by all manner of means, but all in vain. One set of tutors after another gives the task up as hopeless, and the King at last tells the Prince that he will give him one more chance only, and if he fail to profit by it he is to be banished to the remote island of Zipangu. The new plan is of the simplest; Tsohier is to learn his lessons all alone. He really tries hard this time, but the fatal butterfly appears again and the Prince is off after it as if he recognizes that it is the emblem of the soul. The old father, hoping against hope, comes to examine Tsohier for the last time, and the boy racks his brains for answers to the questions with which he is plied. He fails more egregiously than ever--says the Elbe flows into the Mississippi, and that two and two make five. He is therefore banished with one faithful retainer to Zipangu, and now begins an entirely new life for him. It would be unfair to spoil the interest of the tale by telling how he is at last won to the paths of virtue and becomes a true chip of the old block, a worthy successor to his father. It is enough to add that charming fairies, such as all true...
