Because real conversations happen. People want to talk about their faith and ask questions. Fearless Conversation gives them the opportunity to openly share their stories, express and discuss their doubts, and connect with others in a safe environment. The curriculum always leads participants back to the Bible as the source of truth--letting the Holy Spirit guide them all the way. Authentic relationships are formed. When people share their stories and ask their questions, something beautiful happens. Relationships deepen, and people begin to see God at work in their lives and in the lives of others. And spiritual growth is realized. Participants get to know God and each other as they look to the Bible inductively for the answers to wondering questions. This process fosters a deeper understanding of the Bible and spiritual growth.
