Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

Cornerstone, United Kingdom, 2014. Paperback. Book Condition: New. 178 x 110 mm. Language: English . Brand New Book. This is the gripping new Temperance Brennan novel from the world-class forensic anthropologist and Number 1 bestselling author Kathy Reichs. The body of a teenage girl is discovered along a desolate highway on the outskirts of Charlotte. Inside her purse is the ID card of a local businessman who died in a fire months earlier. Who was the girl? And was she murdered? Dr Temperance Brennan, Forensic Anthropologist, must find the answers. She soon learns that a Gulf War veteran stands accused of smuggling artefacts into the country. Could there be a connection between the two cases? Convinced that the girl's death was no accident, Tempe soon finds herself at the centre of a conspiracy that extends from South America to Afghanistan. But to find justice for the dead, she must be more courageous - and take more extreme action - than ever before.
