Wanderville

By Wendy McClure

Razorbill. Paperback. Book Condition: new. BRAND NEW, Wanderville, Wendy McClure, Jack, Frances, and Frances' younger brother Harold have been ripped from the world they knew in New York and sent to Kansas on an orphan train. As the train heads to its destination, awful rumours of what life is actually like where they're going begin to pile up. And so they decide to change their fate the only way they can - they jump off the train. They wander into the woods and meet a boy who will change their lives forever. His name is Alexander, and he tells them they've come to a place nobody knows about - especially not adults-and where "all children in need of freedom" are accepted. It's a place called "Wanderville," Alexander says, and Jack, Frances, and Harold are its very first citizens.

Reviews

The most effective publication i ever study. I am quite late in start reading this one, but better then never. You wont sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).
